

HILLVIEW SENIOR MEN'S GOLF LEAGUE

GOLD AND **WHITE** TEE PLAY

TEE PLAY DECISION

Before the season begins, members must make a tee play decision, **GOLD** or **WHITE**. This decision must be shown on the Registration Form and may be changed season to season.

If a member does not choose a tee at the beginning of the season, he must play from the tee he played the previous season.

To accommodate members who wish to change tees after the season begins, a ONE-TIME tee change is allowed. League Management must be informed before the tee change occurs so that the necessary Spreadsheet changes can be made.

NEW MEMBERS

New members must play the season from their chosen tees, **GOLD** or **WHITE**. They must choose their tee on the Registration Form when they join the League.

LEAGUE PLAY

PLAYERS MUST PLAY FROM THEIR CHOSEN TEE EVEN IF OTHERS IN THEIR GROUP PLAY FROM A DIFFERENT TEE.

IF A MEMBER PLAYS FROM THE WRONG TEE, HE WILL BE DISQUALIFIED.

QUOTA ADJUSTMENT

Play from the **GOLD** tees is easier than play from the **WHITE** tees. To be fair to the members not changing tees, quotas of those changing are adjusted at the start of the season. The adjustment is done once and members are measured against their own earned quotas throughout the season.

All members with quotas who change from playing **WHITE** tees to playing **GOLD** tees at the beginning of the season will have a ONE-TIME upward quota adjustment. To accomplish this, each of the LAST THREE SCORES and the AVERAGE POINT SCORE of the previous season will be ADJUSTED UPWARD ONE POINT.

All members with quotas who change from playing **GOLD** tees to playing **WHITE** tees at the beginning of the season will have a ONE-TIME downward quota adjustment. To accomplish this, each of the LAST THREE SCORES and the AVERAGE POINT SCORE of the previous season will be ADJUSTED DOWNWARD ONE POINT.
