

HILLVIEW SENIOR MEN'S GOLF LEAGUE

NEW FOR THE 2020 SEASON

TOOL ADDED TO FACILITATE THE CORRECTION OF IMBALANCE AMONG PRIZE GROUPS

Because League membership is divided equally among four flights and the front and back nines are used, there are eight prize groups. For each flight, the goal is for the number of competitors in the front and back nine prize groups to be about the same. Because there is no preventive mechanism, imbalances sometimes occur. To aid in the removal of severe imbalances, a COMPETITOR LISTS tool was added to the Spreadsheet. This tool enables League Management to easily identify the golfing group or groups that should REPEAT THE LAST NINE PLAYED WITHOUT PENALTY to correct the imbalance. League Management will notify the members involved.
