

**HILLVIEW SENIOR MEN'S GOLF LEAGUE**

**NEW FOR THE 2022 SEASON**

**NEW AWARD LUNCHEON**

**LOCATION**

After hearing input from many League members, an effort was made to find a better site for the Award Luncheons. Also, there will be three luncheons instead of four which we had before the pandemic. This decision was made to hold to the \$130 dues amount. League Management believes that three luncheons are adequate for prize distribution.

A few members suggested returning to Kitty's in North Reading which was last the site for Award Luncheons in 1999. It was found that to accommodate our League, which has grown in size, attendees would be split between two rooms and the tables would be closely spaced.

After completion of the search process, it was decided that the three Award Luncheons for 2022 will be held at:

Tewksbury/Wilmington Elks Lodge  
777 South Street  
Tewksbury

Imperial Catering will provide the meals.

**AWARD LUNCHEON DATES**

June 15 August 3 September 14

Facility open from noon to 3pm

Lunch will be served starting at 1pm

**HILLVIEW BOARD**

As a health safety measure during the pandemic, the Hillview Board was no longer used for posting the previous round's Scores and Results. Posting of all Scores and Results was continued on the League Website. The use of the board was not reinstated because Website posting of Scores and Results was deemed adequate. Maintenance of the Hillview Board took considerable effort by the League Team.

**TEE TIMES SET FOR ENTIRE SEASON**

With tee times determined before the start of the season, the rule that members must alternate the nine played led to confusion. To clear this problem, entire groups must alternate nines in accordance with the group's tee time schedule even if one or more members are disqualified or absent the previous week.
